WISH UPONA STAR

i wish that this will be
the best summer ever i
wish that someone will
buy me ice cream today:
i wish that i will see a
unicorn some day:
i wish i could go to
outer space i wish for
a cloudless day

moment i wish that my
favorite song was on i
wish for just a little
spot to dance
i wish for a great, big
hug i wish for a smile
i wish that this will
be the best summer ever
